

THETFORD TOWN COUNCIL

FILMING, PHOTOGRAPHY AND RECORDING NOTICE

In the interests of openness and transparency, councillors and members of the public are reminded that the law permits any person to film, record, photograph or use social media in order to report on the proceedings of a meeting of the Council or its Committees when they are open to the public. This does not extend to live verbal commentary.

Filming and photography will only be permitted from the area designated (at the right hand side of the council chamber in the public seating area towards the front). No flash photography or additional lighting should be used without prior consent.

Anyone wishing to report on the meeting should notify the Clerk or Chairman at least 6 hours before the meeting so that they can be afforded reasonable facilities.

People under the age of 18 or other members of the public not wishing to be filmed or photographed should notify the Clerk or Chairman and should sit in the area designated for this purpose (at the back of the public seating area).

Improper conduct or any disruptive behaviour could result in expulsion from the meeting.

The Chairman of Thetford Town Council
